

 We really love how much you care,
when you snuggle us in your favorite *chair*

 You're easy going and never make a fuss,
you mean the *whole world* to us

You carry your *cross* and follow Him,
 even when you're just going to the gym

 You are brave and mighty in the land
but even in the *kitchen* you still lend a hand

 You courageously lead us in the way we should go,
and gently *doctor our owie* if we stub a toe

 We think you are pretty sweet,
just as much as our favorite *sugary treat*

 Because of the love you *show* to us,
we know God's love and trust that He will never leave us

 You lead us in prayer whenever you're able,
whether morning or night, in the car, or at the *table*

 The *couch* is our very favorite place to wrestle, to snuggle, and to learn about grace

Good morning Daddy!

We have planned an exciting *surprise* for you a scavenger hunt full of imaginative clues!

The first clue is a memory that is sure to make you glad think back to the *day* that first made you "dad"
